IMPORTANT INFORMATION ABOUT IDENTIFICATION PROCEDURES

To help the government fight the funding of terrorism and money laundering activities, Federal law now requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: Credit Union personnel will ask for your name, address, date of birth, and/ or other information that will allow us to identify you. We may also ask to see your driver’s license and/or other identifying documents.

Truliant Federal Credit Union is federally insured by the National Credit Union Administration and is an Equal Housing Lender.

Truliant Federal Credit Union Account Agreement and Truth in Savings Disclosures

This Agreement sets forth terms and conditions applicable to any and all of your accounts at Truliant Federal Credit Union (the "Credit Union") as of February 5, 2024 that are identified in this Agreement (each applicable account, an "Account"). These terms and conditions constitute or supplement your Account agreement for each Account you have with Truliant Federal Credit Union.

Use of Certain Terms in This Agreement: "You" or "your" refers to each person signing an Account signature agreement, anyone who owns an Account or anyone who has access to or control over an Account (including your agents, such as attorneys-in-fact and personal agents). "We," "our," and "us" refers to Truliant Federal Credit Union. "Transaction" includes all orders and instructions for the payment, transfer or withdrawal of funds from your Account; for example, a check, draft, image, substitute check, everyday non-recurring debit card transaction, recurring debit card transaction, ACH transaction, ATM transaction, preauthorized payment, automatic transfer, telephone-initiated transfer, online transfer including a Bill Pay transaction, withdrawal slip, and an in-person payment, transfer and withdrawal instruction. A previously presented debit or withdrawal is considered a new item if presented for payment again and therefore may be subject to additional fees as a new item. "Includes," "including," "include" or "for example" are used to introduce a list of some, but not all, situations or items that are covered by a particular provision. "Everyday debit card transactions" means one-time use of your debit card. When we refer in this Agreement to "sufficient available funds," "available funds," "funds being available," or similar phrases, we mean the Available Balance plus any funds available to the Account through our Standard Overdraft Protection service.

The provisions in this Agreement are applicable to all Accounts covered by this Agreement. The provisions in each of the remaining sections of this Agreement only apply to the specific types of Accounts that they address. Please note that we offer a number of different products and services to our members besides the Accounts covered in this Agreement. This Agreement does not apply to those different products and services. This Agreement does not apply to those different products and services. If there is any conflict between this Agreement and our terms for those different products and services that are not Accounts, the terms for those different products and services shall control.

Provisions Applicable to All Accounts Covered By this Agreement

All Accounts subject to this Agreement will be subject to such rules and fee schedules as may be adopted from time to time by the Board of Directors or management of the Credit Union. The terms of this Agreement may be amended by notice from the Credit Union communicated to you in any reasonable manner. Use or maintenance of any Account established under this Agreement shall constitute acceptance of any new, additional or other terms established pursuant to such notice. All rights, obligations, and duties under this Agreement shall be determined by North Carolina or applicable Federal law. Fees may be deducted from your Account balance as and when they become due.

The pricing philosophy of Truliant Federal Credit Union is that individual users of services, particularly costly ones, should pay for them rather than the total membership. In this way, the entire Credit Union membership is served in the fairest way possible. The fees in this Agreement set forth certain conditions, fees and charges applicable to your Accounts at the Credit Union. All fees are subject to change.

Truliant Federal Credit Union's policies require that Truliant employees and members treat one another with fairness, dignity and respect. Truliant is required by law and by its policies to ensure that it provides a workplace that is free from harassment and offensive conduct. Specifically, threatening and offensive statements and conduct directed toward Truliant Federal Credit Union employees is a violation of Truliant's Harassment Policy and Truliant is required to take action to protect its employees from such behavior. You agree that if you engage in aggressive, profane, intimidating, threatening, or offensive physical or verbal contact with Truliant's staff, your Accounts will be subject to termination under Truliant's bylaws and Truliant's Expulsion Policy included with this Agreement.

You agree to pay any charges established by the Credit Union with respect to the use or maintenance of any Account established under this Agreement.

Each depositor shall be jointly and severally liable for any liabilities of the Account, including reimbursement of overdrafts.

You agree that no credit or service, except for a regular share Account, will be extended to you if you, whether individually or with others, have caused the Credit Union a loss, unless the loss has been or is being repaid.

Any error in the listing or posting of an item or deposit may be corrected at any time after its discovery.

All deposit items are received by the Credit Union for collection. Any item may be sent for collection through agents, or may be sent directly to the financial institution on which it was drawn or through which it is payable. You shall bear the risk of loss of items so sent.

Until final payment, the Credit Union may refuse payment of any item drawn against uncollected funds. If final payment of an item is not received, the Credit Union may charge any such uncollected item against your Account.

Statements will be sent periodically either by electronic means if you have selected this option or by mail to your last address shown on the Credit Union's records. Unless the Credit Union is notified in writing within 60 days of sending the statement that the Account is incorrect, the Credit Union shall not be liable for reimbursement.

Accounts are not transferable except on the Credit Union's books and records.

All Accounts except checking Accounts are subject to the Credit Union's right to require advance notice of withdrawal as provided by law or the Bylaws of the Credit Union.

You agree to hold the Credit Union harmless from liability for processing delays occasioned by your failure to reserve adequate space for bank endorsements on the back of any check deposited with the Credit Union.

If an Account agreement is signed by more than one person, the persons signing shall be the joint owners of all Accounts designated as joint ownership on the Account agreement and shall be subject to any further provisions of the joint Account agreement as well as the additional terms and provisions of this Agreement.

Dividends will be paid on Accounts in accordance with the policies of the Credit Union as amended from time to time. All rates are variable unless otherwise stated. Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period. Dividends are compounded daily and credited monthly on all Accounts. The dividend period on all Accounts is monthly beginning the first day of the month and ending the last day of the month. Dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in your Account each day. Dividends will begin to accrue on the business day you make deposits to your Account.

Rate sheets may be obtained by visiting your local branch, on our website or by calling (800) 822-0382. Rate sheets identify dividend rates and the annual percentage yield based on account balances and will not reflect minimum balance requirements that need to be maintained to avoid fees.

The par value of a membership share in this Credit Union is \$5. To establish membership in the Credit Union, a membership savings Account is required with a minimum opening balance of \$5. There may be additional minimum balances required, in addition to the membership share, for other Credit Union accounts. If your membership savings Account goes below the \$5 minimum balance, the Credit Union, at any time, may use any funds available in any other accounts with the Credit Union and which you have any ownership in to bring the balance back up to \$5. If your membership savings Account goes below the \$5 minimum balance for a period of two consecutive months, the balance in your membership savings Account will be absorbed as a fee, and all of your accounts will be closed and your membership may be terminated subject to Truliant's bylaws.

If your only Account with us is a membership savings Account and you have had no activity in any 12 month period and the balance is \$100 or less in the Account, we will close the Account for non-participation. If you have had no activity in any 12 month period in any checking, additional

savings, or club Account, and the balance is \$100 or less in the Account, we will transfer the funds from the inactive Account to your membership savings Account and close the inactive Account.

Non-participation fee – For any month in which you do not maintain at least one of the following requirements 1) a total average monthly deposit balance with the Credit Union of \$250 or more (excluding Accounts of members 18 years of age or younger); 2) an open loan, line of credit or Visa debit card Account (with a balance greater than \$0); or 3) any Account activity in the preceding 6 months, in any savings, checking or money market account, you will be charged a \$10 non-participation fee, which we can pay using any funds available in any accounts with the Credit Union in which you have any ownership in.

Any member's shares totaling less than \$5 for a period of two consecutive months will be absorbed as a fee, and all of your accounts will be closed and your membership may be terminated subject to Truliant's bylaws.

The National Credit Union Share Insurance Fund (NCUSIF) of the National Credit Union Administration (NCUA) insures member deposits up to \$250,000 (and potentially more through different account ownerships). This insurance coverage is automatic and is provided at no additional member cost. Insurance coverage by the NCUA is provided on all types of share and deposit accounts currently offered by Truliant. For more information about NCUA share insurance coverage, please contact your local branch.

If legal action such as a tax levy, garnishment, or judgment, is brought against your Account, the Credit Union will not be liable to you for any sums it may be required to pay, even if paying the money from your Account leaves insufficient funds to pay a check(s) or other draft(s) you have authorized. There will be a \$65 processing fee for each levy, garnishment, or other legal action brought against your Account.

Statutory Lien – If you fail to satisfy any financial obligation to the Credit Union, the Credit Union has the right to apply any funds in any account in which you have an ownership interest to the financial obligation without further notice.

You agree that we and our third-party debt collectors may contact you by telephone or text message at any telephone number associated with your Account, including wireless telephone numbers (i.e., cell phone numbers) which could result in charges to you, in order to service your Account or collect any amounts owed to us, excluding any contacts for telemarketing purposes as prescribed by law. Further you agree contact methods may include use of pre-recorded or artificial voice messages, and/or use of an automatic dialing device. You may withdraw the consent to be contacted on your cellular device by written notice to us at 3200 Truliant Way, Winston-Salem, NC 27103, or by calling us, or by any other reasonable means. By providing a wireless telephone number, you represent and agree that you are and will be the wireless subscriber with respect to the wireless telephone number provided. If you are no longer the subscriber to the wireless telephone number you provided, please immediately notify us of those changes.

Current vs Available Balance; Non-Sufficient Funds Fees ("NSF Fees") – Your checking Account has two kinds of balances: the Current Balance and the Available Balance. Your **Current** Balance reflects the full amount of all deposits to your Account as well as payment transactions that have been posted to your Account. It does not reflect checks you have written that are still outstanding or transactions that have been authorized but are still pending. Your **Available** Balance is your Current Balance less: (1) holds placed on deposits; (2) holds on debit card or other transactions that have been authorized but are not yet posted; and (3) any other holds, such as holds related to pledges of Account funds, minimum balance requirements, or to comply with court orders. Your Available Balance at the time transactions are posted and not when they are authorized may be used to determine when your Account is overdrawn. The following example illustrates how your Available Balance works: Assume your Current and Available Balance are both \$100, and you use your debit card at a restaurant for \$60. As a result, your Available Balance will be reduced by \$60 so your Available Balance is only \$40. Your Current Balance is still \$100 because your debit card transaction has not yet posted. Before the \$60 restaurant charge is sent to us for posting, a check that you wrote for \$50 is presented to Truliant for payment. Because you have only \$40 in your Available Balance, your Account will be overdrawn by \$10. Although you will not be charged any NSF Fees, depending on any overdraft plans you have, you may be charged an overdraft plan fee associated with that overdraft plan, even though your Current Balance was \$100 before the check posted. Also, when the \$60 restaurant charge is presented to Truliant and posted to your Account, you may not have enough money in your Available

Balance because of the posted check. Although you will not be charged any NSF Fees, depending on any overdraft plans you have, you may be charged an overdraft plan fee associated with that overdraft plan for that transaction as well, even though your Available Balance was positive at the time it was authorized. When presentment occurs to us for payment, we use your Available Balance to determine whether there are sufficient funds in your Account to pay items, including checks and drafts, as well as ACH, debit card and other electronic transactions. Your Available Balance is subject to our Funds Availability Policy. Items and transactions, including checks and electronic transactions/ payments that are returned unpaid due to insufficient/non-sufficient ('NSF') funds in your Account, may be resubmitted one or more additional times for payment. There are no fees for any item that is returned unpaid due to insufficient/nonsufficient funds. Any overdraft plan fees you may incur due to insufficient/nonsufficient funds are discussed below under Checking Account Overdraft Features and Plans. These overdraft plan fees are not NSF fees. Your Beginning Balance/Ending Balance is shown on your statement. We do not distinguish between available and unavailable funds on your Account statements, so it may appear that you had sufficient funds to cover an item that was returned. We may restrict Account services or close your Account due to mismanagement causing excessive returned items. As the Account owner, you are responsible for keeping track of your Account balance to ensure that you have sufficient funds available to pay any item you authorize. You may always obtain your Available Balance by logging into Online Banking at Truiliant.org, calling us at 1-800-822-0382 or visiting your local branch. Please keep in mind the Available Balance may not reflect all outstanding or pending items.

Posting of Payments – We post credit and debit transactions to your Account during nightly processing on days we are open for business. For purposes of this paragraph, transactions include fees. Credits increase your Account balance and debits decrease your Account balance. There are numerous ways transactions are presented for payment by merchants. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment. As such, you should be aware that the order transactions post to your Account may differ from the order in which the transactions occur or the order that we receive them. The order in which transactions are posted may affect whether you have insufficient funds to cover all transactions and whether any overdraft plans are triggered. We post deposits and other credits to your Account first. After we post all deposits and other credits to your Account, we post debits. We post debits in order according to categories. Within each category, we post debits from the lowest amount to the highest amount. While subject to change without notice to you, we generally post transactions presented on your Account in the following order: (1) all deposits and other credits; (2) authorized debits; (3) ACH debits (lowest to highest); (4) checks (lowest to highest); and (5) other fees. Authorized debits are transactions that we are obligated to pay because we provided authorization at the time you initiated the transaction. Authorized debits include debit card transactions, ATM withdrawals, Account withdrawals performed in a branch, and some Truiliant fees.

Checking Account Overdraft Features and Plans; Balance Backup Overdraft Protection Feature – An overdraft occurs when you do not have sufficient funds available in your Account to cover a transaction when it presents to us for payment, but we pay it anyway. We can cover your overdrafts in three different ways:

1. We offer overdraft transfer services, such as a link to a savings account or line of credit which may be less expensive than our standard overdraft practices. There is a \$3 transfer fee for this service. This fee is charged once per day, even if multiple transfers are used to cover overdraft transactions.
2. Balance Backup, our standard overdraft services which comes with your Checking Account, strives to pay checks, authorized draft items, and reoccurring debit and ACH transactions for you when funds are not available in your Account. If we cover an item for you, you will be charged a fee of \$28 per transaction that overdraws your Account.
3. Balance Backup Plus will extend overdraft protection to cover your everyday debit and ATM transactions with your approval. If funds are not available in your Account, we will strive to pay those everyday debit purchases and ATM transactions. If we cover an item for you, you will be charged a fee of \$28 per transaction that overdraws your Account. You must opt-in to this service and can request this service to be removed at any time.

There is a maximum limit of 6 overdraft fees that can be charged per day. Overdraft fees will be waived for transactions approved for less than \$3.00. We are not obligated to cover any items defined as checks, ATM withdrawals, Point of Sale or debit card transactions, preauthorized

debits or any other electronic transactions presented for payment if the Account does not have available funds. For one-time debit or ATM overdrafts, the \$28 fee may appear as "Overdraft Charge" on your statement. Service charges assessed against items presented against the Account, do not obligate us to pay said request for funds, nor obligate us to provide prior written notice of the decision to refuse payment. Should a check be submitted or a transaction be made for funds exceeding what is available in the Account, pursuant to this Agreement, the Account holder is responsible for the amount of any overdraft and applicable fees immediately. If you would prefer that we not honor any items when there are not sufficient funds in your Account, you may opt out of this discretionary service by contacting us and expressing this preference. You are fully aware that without this discretionary service or some other form of overdraft protection, such as an Account transfer or line of credit (which is offered to qualified Accounts), any items presented that overdraw the Account may be returned unpaid. The terms contained herein are the complete and final understanding of the parties with respect to Checking Account Overdraft Features and Plans, and this Agreement supersedes any other document in any potential conflict of interest.

LIMITATION OF LIABILITY WAIVER

We will not be liable to you for any claim, loss, cost, or damage caused by: (a) events or circumstances beyond our reasonable control, even if they were foreseeable, including extreme weather, natural disasters, fire, floods, pandemics, measures of any governmental authority, civil disorder, labor strikes, and terrorism or threats of terrorism, (b) loss of electrical power, (c) the breakdown or failure of any private or common carrier communication or transmission facilities, (d) suspensions of payments by another financial institution, (e) available balance in your account being insufficient to make the transaction, (f) your account being the subject of legal process or other claim, or (g) your negligence. In particular, Truliant is not liable to you if such an event or circumstances prevent us from, or delay us in, performing our obligations for a service, including acting on a payment order, crediting a fund transfer to your account, processing a transaction or crediting your account. Our liability to you for any act or failure to act shall not exceed the amount of the transaction, which you incur, and payment of any interest or dividends required thereon. In any case, we will not be liable for any special, incidental, exemplary, punitive or consequential losses or damages of any kind, regardless of whether you informed us of the possibility of such damages, unless required by law.

BINDING ARBITRATION AND CLASS ACTION WAIVER –

THIS ARBITRATION PROVISION WILL NOT APPLY TO YOU IF YOU ARE COVERED BY THE FEDERAL MILITARY LENDING ACT EITHER AS A MEMBER OF THE ARMED FORCES OR AS A DEPENDENT OF SUCH MEMBER. YOU HAVE THE RIGHT TO OPT OUT OF THIS ARBITRATION PROVISION AS DESCRIBED BELOW.

If you do not opt out and a Claim (as defined below) is arbitrated, neither you nor we will have the right to: 1) have a court or a jury decide the Claim; 2) engage in information-gathering (discovery) to the same extent as in court; 3) participate in a class action, private attorney general action or other representative action in court or in arbitration; or 4) unless all parties agree in writing, join or consolidate a Claim with claims of any other person or entity.

This Arbitration Provision describes when and how a Claim (as defined below) may be arbitrated. Arbitration is a method of resolving a dispute in front of one or more neutral persons (each an "arbitrator") instead of resolving the dispute through a court trial in front of a judge or a jury. Arbitration proceedings are private and less formal than court trials. Arbitration can be quicker and more cost efficient than court at resolving disputes. In an arbitration, the arbitrator (or arbitrators) will issue a final and binding decision resolving the dispute, which may be enforced as a court judgment. Courts rarely overturn arbitration decisions.

This Arbitration Provision is governed by the Federal Arbitration Act (9 U.S.C. §§ 1-16 (the "FAA") and not by any state arbitration law.

If you do not want this Arbitration Provision to apply, you may reject it by mailing us a written opt-out notice which specifies your name and address, identifies the applicable Account(s) for which you wish to opt out, and includes a signed statement that you opt out of the Arbitration Provision. Any written opt-out notice must be signed by you and sent to us by mail (not electronically) at: Truliant Federal Credit Union, **Attn: Deposit Account Administration**, P.O. Box 26000, Winston-Salem, NC 27114-6000. You should retain a copy of your opt-out notice and evidence

of mailing it. Any opt-out notice is effective only if it complies with the above requirements and: i) is postmarked within 30 days after the date you first received this Agreement. If you do opt out of this Arbitration Provision, this decision will have no adverse effect on your relationship with us and it will not affect any other terms and conditions applicable to your Accounts, including this Agreement.

The above paragraph states the only ways you can opt out of the Arbitration Provision and if you do not opt-out, this Arbitration Provision will be effective as of the date you first received this Agreement. If an Account is jointly owned, one owner's rejection of this Arbitration Provision will be a rejection by all joint owners. In all other circumstances, your rejection of this Arbitration Provision will not be deemed to be a rejection of this Arbitration Provision by any person or entity other than you. If you have more than one Account with us, and wish to opt out of the Arbitration Provision for some but not all of your Accounts, and are still within the time period for opting out of the Arbitration Provision for said Accounts, please include in your written opt-out notice each Account for which you wish to opt out of the Arbitration Provision. In all other circumstances, your decision to opt out of the Arbitration Provision applies to all of your Accounts. Please note that we offer a number of different products and services to our members besides the Accounts covered in this Agreement. Therefore, if you opt out of arbitration under this Agreement, that decision will not affect any arbitration provision that may exist between you and us, now or in the future, in connection with other products or services you obtain from us that are not covered by this Agreement; any such arbitration provision will remain in force unless you separately opt out of it in accordance with its terms. For example, if you also have a credit card with us, opting out of this Arbitration Provision will not constitute an opt out of any arbitration provision that may apply to that credit card.

Disputes Subject to Arbitration: You or we may elect to have "Claims" arbitrated rather than resolved in court. The term "Claim" means any past, present or future claim, dispute or controversy between you and us that in any way arises from or relates to this Agreement or your Account(s) subject to this Agreement. "Claim" has the broadest reasonable meaning and includes, without limitation the following arising out of or related to your Account: (a) initial claims, counterclaims, cross-claims and third-party; (b) disputes related or based upon contract, negligence, fraud and other intentional torts, constitution, statute, regulation, ordinance, common law and equity; (c) data breach or privacy claims arising from or relating directly or indirectly to our disclosure of any non-public personal information about you; (d) disputes concerning your application or other information you gave us before opening your Account(s); (e) disputes concerning any Account(s) you previously had with us; (f) disputes arising from or related to products or services provided by or purchased or obtained from us in connection with your Account(s); (g) disputes arising from or related to any transactions in connection with your Account(s); (h) disputes arising from or related to any advice, recommendations, solicitations, communications, disclosures, promotions or advertisements concerning your Account(s); (i) claims brought in a direct, derivative, assignee, survivor, successor, beneficiary or personal capacity; (j) disputes concerning your Account disclosures, finance charges, late charges, purchases, payments, insurance, security, collections, default, credit transactions, fees, cash advances, balance transfers, overdraft charges, foreign currency conversions, repossession or the collection of monies owed and the manner of collection; and (k) disputes arising from or related to the relationship(s) between you and us resulting from any of the foregoing. Claims are subject to arbitration even if they arise out of or relate to actions, omissions, transactions, facts, or conduct that occurred prior to the date of this Agreement. However, this Arbitration Provision will not apply to any Claim that was already pending in court before this Arbitration Provision took effect.

Disputes or Claims Not Subject to Arbitration: Notwithstanding the foregoing, the following disputes or Claims are not required to be arbitrated: (a) disputes or Claims that are within the jurisdiction of a small claims court (or an equivalent court), so long as the Claims remain in small claims court and advance only on an individual (not-class action, non-representative) claim for relief. You or we may bring an action in small claims court or, if an arbitration demand has been made, instruct the arbitration administrator to close the case because the dispute or Claim should be decided by a small claims court. However, if the dispute or Claim is transferred, removed, or appealed from small claims court to a different court, you or we may elect to compel arbitration. Moreover, if you or we bring a counterclaim or cross-claim that is for more than the small claims court's jurisdiction, the entire dispute or Claim must, if you or we choose, be resolved by arbitration subject to this Agreement; and (b) disputes or Claims about the validity, enforceability, coverage or scope of this Arbitration Provision or any part thereof (including, without limitation,

the Class Action Waiver), which are for a court and not an arbitrator to decide. However, any dispute, Claim, or argument that concerns the validity or enforceability of your Agreement as a whole is for the arbitrator, not a court, to decide. In addition, this Arbitration Provision does not prohibit you or us, at any time, from (aa) exercising any lawful rights outside of arbitration to preserve or obtain possession of property or self-help remedies, including but not limited to, the right to set-off or exercise a statutory lien or other lien granted by law or rule, the right to restrain funds in an Account, recoupment, repossession, replevin or trustee's sales; (bb) obtaining provisional or ancillary remedies or injunctive relief in court and outside of arbitration (other than a stay of arbitration), including but not limited to attachment, garnishment, interpleader or the appointment of a receiver by a court of appropriate jurisdiction; or (cc) bringing an individual action in court and outside of arbitration that is limited to preventing the other party from using a self-help or non-judicial remedy and that does not involve a request for damages or monetary relief of any kind.

Starting or Electing Arbitration: You or we may start an arbitration by filing a demand with the arbitration administrator pursuant to the administrator's rules. You or we may also require arbitration of a Claim filed in court by filing a motion with the court to compel arbitration of the Claim. Even if you and we have chosen and agreed to litigate a Claim in court, either party may elect arbitration of a new Claim or of a Claim made by a new party in that or any related or unrelated lawsuit.

The Administrator: Any arbitration under this Arbitration Provision will be administered under the rules of the American Arbitration Association ("AAA"), 120 Broadway, Floor 21, New York, NY 10271 (1-800-778-7879), www.adr.org. You can obtain a copy of the AAA's rules by visiting their websites or calling them. The parties may also mutually agree to select an arbitrator who is an attorney, retired judge or arbitrator registered and in good standing with a bona fide arbitration association and arbitrate pursuant to the arbitrator's rules. If AAA cannot or will not serve, and the parties are unable to select an arbitrator by mutual consent, a court with jurisdiction will select the administrator or arbitrator, who must agree to abide by all of the terms of this Arbitration Provision (including, without limitation, the Class Action Waiver). Any arbitrator must be a practicing attorney with ten or more years of experience practicing law or a retired judge.

Jury Trial Waiver: IF YOU OR WE ELECT TO ARBITRATE A CLAIM, YOU AND WE WILL NOT HAVE THE RIGHT TO PURSUE THAT CLAIM IN COURT OR HAVE A JURY DECIDE THE CLAIM.

Class Action Waiver: ANY ARBITRATION MUST BE ON AN INDIVIDUAL BASIS ONLY. THIS MEANS THAT IF YOU OR WE ELECT TO ARBITRATE A CLAIM, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO: (A) PARTICIPATE IN A CLASS ACTION OR OTHER REPRESENTATIVE ACTION IN COURT OR IN ARBITRATION, EITHER AS A CLASS REPRESENTATIVE, CLASS MEMBER OR OTHERWISE; OR (B) ACT AS A PRIVATE ATTORNEY GENERAL IN COURT OR IN ARBITRATION. ALSO, ABSENT THE WRITTEN CONSENT OF ALL PARTIES, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO JOIN OR CONSOLIDATE A CLAIM WITH CLAIMS OF ANY OTHER PERSON OR ENTITY. An arbitration award shall determine the rights and obligations of the named parties only, and only with respect to the Claim(s) in arbitration. No arbitration administrator or arbitrator shall have the power or authority to waive or modify this section, and any attempt to do so, whether by rule, policy, arbitration decision or otherwise, shall be invalid and unenforceable.

Location and Costs of Arbitration: Any arbitration hearing that you attend in person must take place at a location reasonably convenient to the parties or as otherwise agreed to by the parties or ordered by the arbitrator. Each administrator charges filing and administrative fees and the arbitrator also charges fees. The parties shall pay said fees in accordance with the administrator's rules. However, if you tell us in writing that you cannot afford to pay the fees charged by the arbitration organization and that you were unable to obtain a waiver of fees from the administrator, and if your request is reasonable and in good faith, we will pay or reimburse you for all or part of the fees charged to you by the arbitration organization and/or arbitrator. The parties shall also bear the fees and expenses of their own attorneys, experts and witnesses unless otherwise required by applicable law, your Agreement or the administrator's rules.

Law Applied by the Arbitrator: North Carolina and federal law shall apply as stated in the above Governing Law Provision. The arbitrator must apply this law consistent with the FAA and applicable statutes of limitations and claims of privilege recognized at law. The arbitrator is

authorized to award all remedies allowed by this Agreement and permitted by the substantive law that would apply in an individual court action, including, without limitation, injunctive, equitable and declaratory relief (but only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual Claim). Any finding, award or judgment from an arbitration of any Claim shall apply only to that arbitration. No finding, award or judgment from any other arbitration shall impact the arbitration of any Claim.

Right to Discovery: In addition to the parties' rights to obtain discovery pursuant to the arbitration rules of the administrator, either party may submit a written request to the arbitrator to expand the scope of discovery normally allowable under the arbitration rules of the administrator. The arbitrator shall have discretion to grant or deny that request.

Arbitration Award and Right of Appeal: At the timely request of either party, the arbitrator shall provide a written explanation for the award. However, if the amount in controversy exceeds \$50,000, you or we can, within 15 days after the entry of the award by the arbitrator, appeal the award to a three-arbitrator panel administered by the administrator. The appeal panel shall reconsider anew any aspect of the initial award requested by the appealing party. The decision of the panel shall be by majority vote. Reference in this Arbitration Provision to "the arbitrator" shall mean the panel if an appeal of the arbitrator's decision has been taken. The costs of such an appeal will be borne in accordance with the paragraph above titled "Location and Costs of Arbitration." The original award or any subsequent award on the appeal described above shall be final and binding, subject to any further appeal rights under the FAA, and may be entered as a judgment by any court having jurisdiction.

Rules of Interpretation: This Arbitration Provision is binding upon and benefits you, your respective heirs, successors and assigns, and us and our respective successors and assigns. This Arbitration Provision shall survive (A) the repayment of amounts owed under your Account terms, including this Agreement; (B) any legal proceeding; (C) any sale, assignment or transfer of your Account(s); (D) any bankruptcy to the extent consistent with applicable bankruptcy law; (E) any default, breach or repossession; (F) any termination, cancellation, closure, suspension or non-renewal of your Account(s), including this Agreement; and (G) any termination, amendment, expiration or performance of any transaction between you and us. If there is any inconsistency between this Arbitration Provision, on the one hand, and any other terms in any of your Accounts, on the other hand, this Arbitration Provision shall control with respect to any Claim as that term is defined in this Arbitration Provision. Any changes to this Arbitration Provision will apply only prospectively unless we give you a right to opt out of the change or the entire Arbitration Provision.

Severability: If any portion of this Arbitration Provision is held to be invalid or unenforceable, the remaining portions shall nevertheless remain in force, subject to two exceptions: (A) if a determination is made that the Class Action Waiver is unenforceable, and that determination is not reversed on appeal, then the Arbitration Provision (except for this sentence) shall be void in its entirety; and (B) if a court determines that a public injunctive relief Claim may proceed notwithstanding the Class Action Waiver, and that determination is not reversed on appeal, then the public injunctive relief Claim will be decided by a court, any individual Claims will be arbitrated, and the parties will ask the court to stay the public injunctive relief Claim until the other Claims have been finally concluded.

NIGHT DEPOSITORY SERVICE DISCLOSURE

- **Assumption of Risk** – You assume any and all risks arising out of or incidental to the use of the night depository services. You acknowledge that Credit Union has provided instructions on the proper operation and use of its night depository facility.

Procedures for Making Deposits. Credit Union provides deposit envelopes and will provide sealing bags as necessary upon request. You shall place all envelopes and/or sealed bag(s) in the night depository facility. You shall take all action necessary to ensure the envelope(s) and/or sealed bag(s) are properly placed in the appropriate receptacle. You shall make sure envelopes are filled out correctly upon deposit. You shall make sure all sealed bags deposited in the night depository facility will contain an itemized deposit slip listing all currency, coins, and negotiable instruments. All negotiable instruments must be itemized on the deposit ticket or a separate calculator tape must be provided. All negotiable instruments must have proper endorsements, which include "pay to the order of" and the business name.

Procedures for Removing and Processing Deposits. Any night depository envelopes or bags that were deposited before 7am in the night depository will be removed each business day (Monday-Friday) for processing. Credit Union will verify each deposit and will credit the face value of the currency, coins and negotiable instruments, which the Credit Union finds in each envelope and/or sealed bag to the member's Account. Availability of all deposits will be subject to the Credit Union's Funds Availability Policy.

Credit Union's findings and records with respect to the contents of each bag will be conclusive and binding upon you. If Credit Union finds evidence that a bag has been tampered with Credit Union will contact you to inform you of the situation.

Limitation of Liability. By using this service, you understand and agree that the Credit Union will not be liable for any loss or damage sustained by you or any employee or agent of yours resulting from your (or your employee's or agent's) inability to operate the facility. Credit Union will not be responsible for any loss or damage suffered by any person due to an act of nature, vandalism, or malicious mischief.

Once the contents (currency, coins, and negotiable instruments only) are correctly deposited into a night depository, you will not be responsible for any loss or damage to the contents due to an act of nature, vandalism, or malicious mischief. Credit Union will not be responsible for any loss resulting from the unlawful or dangerous use of the night depository facility by any person or otherwise.

The Credit Union will not be responsible for the loss, destruction, or misplacement of all or any part of, or shortage of the deposits or contents in any of your bags deposited in the night depository facility unless such loss, destruction or misplacement is legally proven to be a direct result of the gross negligence of the Credit Union.

Miscellaneous Terms of Use. By using this service, you understand and agree that you shall indemnify Credit Union from and against all injuries, losses, damages, expenses (including, but not limited to reasonable attorney's fees), actions and causes of action which Credit Union incurs as a result of the provision of services hereunder, except for Credit Union's own gross negligence or willful misconduct. You also understand and agree that this disclosure contains the entire understandings between you and the Credit Union hereto regarding the provision of night depository services by the Credit Union. Credit Union reserves the right to modify and withdraw its night depository service from any member at any time, without notice, and will not be liable for any loss to you which results from such action.

Setoff and Security Interest. If you ever owe us money as a borrower, guarantor or otherwise, and it becomes due, we have the right under the law (called "setoff") and under the terms of this Agreement to use money from your Accounts to pay the debt. Under this Agreement, you grant us a security interest in your Accounts to use available funds from your Accounts, except where prohibited by law, to pay a debt you owe to us that has become due. We may use such available funds to pay the debt you owe to us even if withdrawal results in a dividend penalty or dishonor of checks. In the case of a joint Account, each joint Account owner authorizes us to exercise setoff rights on all available funds in the joint Account, even if only one, or less than all, of the joint owners is the debtor to us; these rights exist irrespective of who contributes funds to the joint Account. Similarly, each joint owner of a Joint Account agrees that we may use the available funds in any of their individual Accounts to satisfy obligations in the joint Account or joint obligations shared by both joint owners. The security interest granted by this Agreement is consensual and is in addition to our right of setoff. However, the right of setoff and security interest shall not apply to your Account if: (a) it is an IRA or a tax-deferred Keogh Retirement Account; (b) the debtor's right of withdrawal arises only in a representative capacity; or (c) is prohibited by law.

All Savings Accounts

Savings Accounts are tiered rate Accounts. A tiered rate Account pays different dividend rates based on specified balance levels. Rate sheets may be obtained by visiting your local branch, on our website or by calling (800) 822-0382. Rate sheets identify dividend rates and the annual percentage yield based on account balances and will not reflect minimum balance requirements that need to be maintained to avoid fees. The dividend rate on this tiered rated Account is determined each day based on the daily balance, and the rate is applied to the entire balance. A non-interest bearing savings account, Simply Savings, is available upon request.

Any joint owner may pledge or assign this Account as collateral to secure the payment of any loan or loans, and any such pledge or assignment shall not operate to sever or terminate, either in whole or in part, any joint estate or other relationship established under the terms of the Account, including this Agreement.

Transaction limitations: No limit on withdrawals for loan payments, online banking transfers or over the counter withdrawals. The maximum ATM withdrawal amount per transaction is \$800 and the daily ATM withdrawal limit is \$1,030. The Credit Union does not have deposit limits for ATMs.

All Accounts on Which Checks can be Written

If you do not purchase check stock from the Credit Union or our approved vendor, you accept the risk that we may refuse to pay the check. We may also refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. You agree not to use any checks that contain a background image or selection of ink choices that interferes with our or any other financial institution's ability to produce a digital image of your check. If you do, you will be responsible for any losses you or another person suffers because of the inability to produce a readable image of your check.

The Credit Union may pay a check on whatever day it is presented for payment, notwithstanding the date (or any other limitation on the time of payment) appearing on the check.

Any oral or written stop payment order must specify the precise Account number, check number, payee, date and amount.

When paid, checks become the property of the Credit Union and will not be returned either with the periodic statement of the Account or otherwise.

Except for fraud or gross negligence, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a check.

The Credit Union is under no obligation to pay a check or permit a withdrawal that exceeds the fully paid and collected balance in your Account. However, if any party authorized to sign on an Account writes a check or otherwise withdraws funds so that withdrawals from the Account exceed the balance in the Account, the Credit Union may, nevertheless, honor any check or other withdrawal and transfer any available funds to the overdrawn Account in the amount of the resulting overdraft, and the Credit Union may impose such fees as may be applicable including but not limited to any fees applicable to the overdraft or transfer.

Rate sheets for all checking and money market accounts may be obtained by visiting your local branch, on our website or by calling (800) 822-0382. Transaction limitations: No limit on withdrawals for loan payments, online banking transfers or over the counter withdrawals. The maximum ATM withdrawal amount per transaction is \$800 and the daily ATM withdrawal limit is \$1,030. The Credit Union does not have deposit limits for ATMS.

Please see the section entitled "All Accounts on Which Checks Can Be Written" for terms governing check writing against these Accounts.

If you have had no activity in any 12 month period in any checking, additional savings or club Account, and the balance is \$100 or less in the Account, we will transfer the funds to your membership savings Account and close the inactive Account.

Joint Account Agreement

If you open a joint Account:

The Credit Union is authorized to recognize any signature subscribed on the applicable Account Agreement in the transaction of any business on the joint Account.

If you are a joint owner of this Account, you agree with all other owners and with the Credit Union that all sums now or hereafter paid to your credit in any Account subject to this Agreement, together with all accumulations thereon, are and shall be owned by you as joint tenants with a common law right of survivorship and not as tenants in common, and that all such amounts shall be subject to withdrawal by either or any of you, or payment to any of you, and that any of you may terminate the

rights in any such Account of any other joint owner by the removal of any other joint owner's name from the Account. You also agree that any joint owner may make changes to the notice preferences and overdraft features of the joint Account. The Credit Union may make payment to any joint owner or to the survivor or survivors of any joint owner, and any such payment shall discharge the Credit Union from any liability for such payments.

The right or authority of the Credit Union under this Agreement shall not be changed or terminated by any joint owner except by written or electronic notice (in a manner determined by the Credit Union) to the Credit Union, and termination shall not affect transactions theretofore made.

Custodial Account

The Credit Union is hereby authorized to recognize the signature of the Custodian, subscribed on the Custodial Account signature card in the payment of funds or the transaction of any business for the Account.

If a successor custodian is designated and signs on the Custodial Account signature card, the Credit Union is hereby authorized to treat the successor custodian in all respects in the event the original custodian is not eligible, renounces or dies before the minor attains the age of twenty-one (21) years.

Neither the custodian nor the beneficiary may pledge the Account as collateral to secure a loan or loans.

The Custodial Account is governed by the North Carolina Uniform Transfers to Minors Act, Article 12, Sections 33A-1 through 33A-24 of the General Statutes of North Carolina.

Share Certificate Accounts

Individual Retirement Account (IRA) or Regular

The annual percentage yield assumes dividends remain on Account until maturity and withdrawal will reduce earnings. Rate sheets may be obtained by visiting your local branch, on our website or by calling (800) 822-0382. Rate sheets identify dividend rates and the annual percentage yield based on account balances.

A substantial penalty is imposed if the share certificate funds other than dividends are withdrawn prior to the original or renewal maturity hereof.

Penalties for Early Withdrawal:

If the early withdrawal reduces the principal amount of the share certificate below the minimum amount required, the share certificate will be canceled. In all cases of early withdrawal, a penalty will be imposed equal to the dividends on the principal withdrawn for the lesser of

1. the number of days since opening or renewal, or
2. the number of days penalty according to the following chart:

Share Certificate Terms	Penalty
0 – 6 Months	90 Days
7 – 12 Months	180 Days
13 – 24 Months	240 Days
25 – 36 Months	360 Days
37 – 48 Months	450 Days
49 – 60 Months	540 Days

The amount withdrawn will not be considered in the calculation of any future dividends. In any case of withdrawal of principal prior to the maturity date, if the dividends available at the time of withdrawal are not sufficient to cover the applicable penalty, the Credit Union will deduct from the principal an amount sufficient to cover the applicable penalty.

Your share certificate Account will automatically renew into a share certificate of like term and maturity. You WILL have a grace period of 7 days after the maturity date to withdraw the funds in the Account without being charged an early withdrawal penalty.

■ Your Ability to Withdraw Funds at all Locations of Truliant Federal Credit Union

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Funds from electronic direct deposits to your Account will be available on the day we receive the deposit. When your funds become available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

- Deposits made using a mobile device are not covered under this Funds Availability Policy. You may find additional information regarding mobile deposits in the Mobile Deposit Funds Availability Policy located on our website under Mobile Check Deposit Terms and Conditions.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, federal holidays. If you make a deposit in person directly to one of our employees at one of our branches before that branch's posted closing time on a business day that we are open, we will consider that day to be the day of your deposit.

Longer Delays May Apply

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Items deposited at Co-Op Shared Branch facilities will be available on the second business day after the day the deposit is made. Depending on the type of check that you deposit, funds may not be available until the seventh business day after the day of your deposit. However, the first \$225 of your deposit will be available on the first business day with the exception of Co-Op Shared Branch deposits where the first \$225 of your deposit will be available on the second business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make the deposit. We will also tell you when the funds will be available. If your deposit is not made in person to one of our employees, or if we decide to take this action after you have left the premises, we will send you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your Account repeatedly in the last six months.
- There is an emergency such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts

If you are a new member, the following special rules will apply during the first 30 days your Account is open:

Funds from electronic direct deposits to your Account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

If you use your Card or other Electronic Fund Transfer service after the effective date of the change, you will be bound by the new terms.

COMMITMENT NOT TO OVERDRAW.

You agree not to withdraw funds from any Account which would reduce the balance in the Account below zero or such greater amount as may have been pledged to use as security. If, through error, excess funds are withdrawn, you agree to restore your Account to the agreed level, and to pay our reasonable attorney fees in collecting any amount due from you. In the event that an EFT transaction is returned to the originator due to insufficient funds, which the originator could attempt more than once, you will not be charged Non Sufficient Fund or NSF Fees. However, you may incur fees imposed by the merchant that initially accepted the returned EFT transaction and depending on any overdraft plans you have, you may be charged an overdraft plan fee associated with that overdraft plan for that transaction as well.

FOREIGN TRANSACTIONS.

To the extent that you have used your Truliant debit or credit card to purchase goods or services in-person or online, or obtain cash in another country, your statement may reflect the conversion into U.S. dollars of transactions which occurred initially in a different currency. Currently, VISA U.S.A. regulations provide that the exchange rate is either (1) a rate selected by VISA from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate VISA itself receives or (2) the government mandated rate in effect for the applicable central processing date. VISA U.S.A. charges an International Service Assessment (ISA) fee of 1% which will be applied to each international transaction when foreign currency is converted because the merchant is using a non- US bank to process the transaction. The ISA will appear as a separate transaction on your statement.

ILLEGAL TRANSACTIONS PROHIBITED.

You agree that you will not use your Card for any transaction that is illegal under applicable federal, state, or local law.

Expulsion Policy

We may terminate your membership in Truliant Federal Credit Union in one of three ways. The first way is through a special meeting. Under this option, we may call a special meeting of the members, provide you an opportunity to be heard, and obtain a two-thirds vote of the members present at the special meeting in favor of your expulsion. The second way to terminate your membership is under a nonparticipation policy given to each member that follows certain requirements. The third way to terminate your membership is by a two-thirds vote of a quorum of the directors of the credit union for cause.

Cause is defined as follows: (A) a substantial or repeated violation of your account agreement with us; (B) a substantial or repeated disruption, including dangerous or abusive behavior, to the credit union's operations; or (C) fraud, attempted fraud, or a conviction of other illegal conduct that a member has been convicted of in relation to us, including in connection with our employees conducting business on behalf of us.

Before the board votes on a expulsion, we must provide written notice to your mail address (or email, if applicable) on record or personally provide the written notice. We must provide the specific reasons for the expulsion and allow you an opportunity to rebut those reasons through a hearing if you choose. It is your responsibility to keep your contact information with us up to date, and to open and read notices from us. Unless we determine to allow otherwise, there is no right to an in-person hearing with the board. If you fail to request a hearing within 60 calendar days of receipt of the notice, you will be expelled. You may submit any complaints about your pending expulsion or expulsion to NCUA's Consumer Assistance Center if the complaint cannot be resolved with the credit union.

We will confirm any expulsion with a letter with information on the effect of the expulsion and how you can request reinstatement. Expulsion or withdrawal from membership does not relieve a member of liability to the credit union, and we may demand immediate repayment of the money you owe to us after expulsion, subject to any applicable contract terms and conditions.
