Simply visit [Truliant.org](http://Truliant.org) for more details, or give us a call at 800.822.0382 to get started today!

Truliant is federally insured by the National Credit Union Administration and is an Equal Housing Lender. Must meet eligibility requirements to join. (1) Members must meet certain qualifications to be eligible for these services. Other charges may apply. Please check your text/data plan with your mobile provider. You need to have an Easy Pay account and payees set up in Online Banking in order to pay any bill using the Mobile Web or Tru2Go services.

**DID YOU KNOW?**

## How to Better Use Truliant!

Did you know that as a member-owner of Truliant, you have convenient access to thousands of shared branch and free ATM locations nationwide?

Shared branches  are a network of credit unions nationwide that allow members to access their Truliant accounts at other credit union locations.

At shared branch locations you can:

**Make deposits**

**Make withdrawals of up to \$1,000.00 per day**

**Get Official Checks** (made payable to a person on the account)

**Balance inquiries**

**Make loan payments**

**Get Visa Cash Advances**

**PLUS!** If you are an Apple or Android User now it's even easier to find shared branches and ATM locations near you with the **FREE** "Credit Union Shared Branching" and "CU24 ATM Locator" apps. Download them today for your device!

Simply visit [Truliant.org](http://Truliant.org) for more details, or give us a call at 800.822.0382 to get started today!

Truliant is federally insured by the National Credit Union Administration and is an Equal Housing Lender. Members must meet certain qualifications to be eligible for these services. In addition to Truliant's Member Financial Centers, member-owners can also use shared branch locations to process transactions. Shared branches are a network of credit unions nationwide that allow members of other credit unions to access their Truliant accounts. Visit our website or call us to locate the shared branch nearest you.
