**How We Will Calculate Your Balance:** We use a method called “average daily balance (including new purchases).” See your account agreement for more details.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.

**CREDIT CARD AGREEMENT**

NOTICE: See “YOUR BILLING RIGHTS” section for important information regarding your rights to dispute billing errors.

In this Agreement the words “you” and “your” mean each and all of those who apply for the card or who sign this Agreement. “Card” means the VISA Platinum Rewards Credit Card and any duplicates and renewals we issue. “Account” means your VISA Platinum Rewards Credit Card Line of Credit Account with us. “We,” “us” and “ours” means this Credit Union.

(Continued on next page)
1. Using the Card. You may use the Card issued to you to make purchases in person, online and by mail or telephone from merchants and others who accept VISA cards. In addition, you may obtain cash advances from the Credit Union, from other financial institutions participating in the VISA program and from automated teller machines (ATMs), such as VISA ATM Network, that provide access to the VISA system. (Note: ATMs provided by the other financial institutions participating in your VISA program may not provide access to the VISA system.) You will need to use your Personal Identification Number (PIN) to obtain a Cash Advance from an ATM. The monthly statement will identify the merchant, electronic terminal or financial institution at which transactions were made, but Cash Advances, credit or other slips cannot be returned with the statement. You should retain copies of such slips furnished at the time of the transaction in order to verify the monthly statement. The Credit Union may make a reasonable charge for photocopies of slips you request. You may not use your Card for any transaction that is illegal under applicable federal, state or local law.

2. Responsibility. If we issue you a Card, you agree to repay all debts and the FINANCE CHARGE arising from the use of the Card and the Card Account. For example, you are responsible for charges made by yourself, your spouse and minor children. You are also responsible for changes made by anyone else to whom you give the Card and this responsibility continues until the Card is recovered. You cannot disclaim responsibility by notifying us, but we will close the Account for new transactions if you so request and return all Cards. Your obligation to pay the Account balance continues even though an administrative order of court judgment to which we are not a party may direct you or one of the other persons responsible to pay the Account. Any person using the Card is jointly responsible with you for charges he or she makes, but if that person signs the Card he or she becomes a party to this Agreement and is also jointly responsible for all charges on the Account, including yours.

3. Military Lending Act. If you are a covered borrower under regulations related to the Military Lending Act, federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependents may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for credit insurance, credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). Please call us at 1-855-878-0499 to receive oral disclosures.

4. Convenience Checks. We may supply you with personalized Convenience Checks which may be used to obtain Cash Advances on your VISA Account. Only the person whose name is printed on a Convenience Check may sign it. The following other conditions apply to the use of Convenience Checks: (a) you may not use one to make a payment on any obligation to the Credit Union, (b) it must be written for only U.S. dollars, (c) it cannot be postdated (show a future date), (d) it cannot be certified, (e) it will not be honored if you are in default to the Credit Union under this Agreement or any other agreement with the Credit Union, (f) it cannot be for an amount greater than the remaining credit available in your Credit Line, and (g) it will not be honored if it has been reported lost or stolen. The Credit Union will have no liability for failure to honor a check for any of the foregoing reasons. The Credit Union may charge a fee (up to $25.00 as of 04/01/2021) if we do not honor your check. Any Convenience Check that the Credit Union pays will be treated as a Cash Advance for your Account.

5. Lost Card Notification. If you believe the Card has been lost or stolen, you will immediately call the Credit Union at 800-822-0382 or 800-442-4757.

6. Liability for Unauthorized Use. You may be liable for the unauthorized use of your credit Card. You will not be liable for unauthorized use that occurs after you notify the Credit Union orally or in writing, of any such loss, theft or possible unauthorized use. In any case, your liability will not exceed $50.00 for unauthorized cash advances at ATMs. You will have no liability for unauthorized purchases made with your Card.

7. Credit Line. If we approve your application, we will establish a self-replenishing Line of Credit for you and notify you of its amount. We will include your current balance and available credit in the notification. You may increase your Credit Line only by written application to us, which must be approved by us. If we deny your application, we will notify you of the denial and the reasons for the denial. We may reduce your Credit Line from time to time, or with good cause, revoke your Card and terminate this Agreement. Good cause includes your failure to comply with this Agreement, or our adverse reevaluation of your credit-worthiness. You may also terminate this Agreement at any time, but termination by either of us does not affect our obligation to pay the Account balance. All Cards remain our property and you must recover and surrender to us all Cards upon our request and upon termination of this Agreement.

8. Credit Information. You authorize us to investigate your credit standing when opening, renewing or reviewing your Account and you authorize us to disclose information regarding your Account to credit bureaus and other creditors who inquire of us about your credit standing, to the extent authorized by applicable law.

9. Monthly Payment. We will mail you a statement each month showing your previous balances of Purchases, Balance Transfers, and Cash Advances, current transactions on your Account, and other information. Each month you must pay at least the Minimum Payment required, and any other balance due. If you are in default to the Credit Union under this Agreement or any other agreement with the Credit Union, the following applies: (a) your Payment must be promptly honored, (b) your Payment must be honored if you are in default to the Credit Union under this Agreement or any other agreement with the Credit Union, (c) it cannot be for an amount greater than the remaining credit available in your Credit Line, and (d) it will not be honored if it has been reported lost or stolen. The Credit Union will have no liability for failure to honor a check for any of the foregoing reasons. If you are a covered borrower under regulations related to the Military Lending Act, federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependents may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for credit insurance, credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). Please call us at 1-855-878-0499 to receive oral disclosures.

10. Finance Charges. A FINANCE CHARGE will be imposed on all outstanding balances in your Account from the time they are posted to your Account; however, you can avoid FINANCE CHARGES on Purchases by paying the full amount of the New Balance of Purchases each month within 25 days of your statement closing date. Otherwise, the New Balance of Purchases will be subject to a FINANCE CHARGE. Cash Advances and balance transfers are always subject to FINANCE CHARGE from the date that they are posted to your Account.

The periodic rate that will be applied to the balances in your Account is a variable rate based on the value of an index. The periodic rate applicable to your account as of April 1, 2021 was 0.328493% (corresponding ANNUAL PERCENTAGE RATE 11.99%).

The index is the highest "Prime Rate" as published in the Wall Street Journal, Eastern Edition, on the 25th day of each month (or the next day that the Wall Street Journal is published if it is not published on the 25th day of the applicable month). Your ANNUAL PERCENTAGE RATE will be such prime rate plus 8.74%. Your daily periodic rate will be such ANNUAL PERCENTAGE RATE divided by the number of days in the year. Any change in the periodic rate will be effective on the 1st day of your next billing cycle beginning after the first day of the next calendar month. The interest rate applied to your Account will increase if the Prime Rate increases. Any increase in the periodic rate may increase the number of payments required to pay your Account balance in full, and may cause your minimum payment to increase. Your daily periodic rate will not exceed 0.498315% (18% ANNUAL PERCENTAGE RATE).

Your FINANCE CHARGE is based upon the average daily balance in your Account for the number of days in the billing cycle. The average daily balance in your Account is determined by taking the beginning balance in your Account each day, adding any new Purchases, Balance Transfers, and Cash Advances and subtracting any payment or credits. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance." The FINANCE CHARGE is determined by multiplying the average daily balance by the daily periodic rate, and then by multiplying that product by the number of days in the billing cycle.
11. Other Charges. The following other charges will be added to your Account, as applicable: 1) If you are 10 days late in making a payment, you will be charged $15.00; 2) If the Credit Union does not honor a convenience check, you may be charged a non-sufficient funds fee in effect at the time the check is dishonored (up to $25.00 as of 04/01/2021). 3) If your account is subject to a Returned Payment Fee, the fee will be charged to your account when a payment is returned for any reason.

12. Annual Maintenance Charge. You agree to pay an Annual Maintenance Charge for your VISA Account as follows:

VISA Platinum Rewards - $0.00.

Except as otherwise provided by law, your Annual Maintenance Charge is not refundable and will be charged to your Account as a Purchase. An Annual Maintenance Charge will be imposed as long as your Account has an unpaid balance.

13. Default. You will be in default if you fail to make any Minimum Payment or other required payment by the date that it is due. You will be in default if you break any promise you make under this Agreement. You will be in default if you die, file for bankruptcy or become insolvent, that is, unable to pay your obligations when they become due. You will be in default if you make any false or misleading statements in any credit application or credit update. You will also be in default if something happens which the Credit Union believes may substantially reduce your ability to repay what you owe. When you are in default, the Credit Union has the right to demand immediate payment of your full Account balance without notice. If immediate payment is demanded, you will continue to pay FINANCE CHARGE, at the periodic rate charged before default, until what you owe has been paid, and any shares that were given as security will be applied towards what you owe. To the extent permitted by law, you will also be required to pay the Credit Union’s collection expenses, including court costs and reasonable attorneys’ fees.

14. Returns and Adjustments. Merchants and others who honor the Card may give credit for returns or adjustments, and they will do so by sending us a credit slip which we will post to your account. If your credits and payments exceed what you owe us, we will hold and apply this credit balance against future purchases, balance transfers, and Cash Advances, or, if it is $1.00 or more, refund it on your written request.

15. Amendment to Agreement. We may amend this Agreement at any time upon such notice as is required by applicable law. Unless the law otherwise provides, notice of amendment shall be mailed or delivered to you at least 15 days prior to the effective date of a change. Any amendments (including amendment of interest rate, interest rate formula or fees) will apply not only to future transactions, but also to all Account balances outstanding on and after the effective date of the change.

16. Foreign Transactions. To the extent that you have used your VISA card to purchase goods or services, or obtain cash in another country, your statement may reflect the conversion into U.S. dollars of transactions which occurred initially in a different currency. Currently, VISA U.S.A. regulations provide that the exchange rate is either (1) a rate selected by VISA from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate VISA itself receives, or (2) the government-mandated rate in effect for the applicable central processing date. VISA U.S.A. charges an International Service Assessment (ISA) fee of 1% which will be applied to each international transaction when foreign currency is converted. The ISA will appear as a separate transaction on your statement.

17. Plan Merchant Disputes. Except as provided by law, we are not responsible for the refusal of any plan merchant or financial institution to honor your Card. For a statement of your billing rights and our obligations with respect to disputes with plan merchants, see the statement: “YOUR BILLING RIGHTS,” which forms a part of this Agreement and disclosure.

18. Agreement. This Agreement is the contract which applies to all transactions on your Account even though the Purchase slips, balance transfer requests, Cash Advance slips, credit or other slips you sign or receive may contain different terms. We may assign our rights under this Agreement. If we do, any amounts due on your Account shall belong to our assignee.

19. No Waiver. The Credit Union can delay enforcing any of its rights any number of times without losing them.

20. Statements and Notices. You will receive a statement each month showing transactions on your Account. Statements and notices will be mailed to you at the most recent address you have given the Credit Union. Notice sent to any one of you will be considered notice to all.

21. Closing or Suspending Your Account. You may contact a member service representative to close your Account. Truliant may close or suspend your Account at any time and for any reason permitted by law, even if you are not in default. If we close or suspend your Account for any reason, you must stop using your Card but you must still pay us all amounts you owe on the Account.

Security Interest – You grant us a security interest in all individual and joint share and/or deposit accounts you have with us now and in the future to secure your credit card account. Shares and deposits in an IRA or any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest us now and in the future to secure your credit card account. Shares and deposits in an IRA or any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest.

You are affirmatively agreeing that you are aware that granting a security interest is a condition for the credit card and you intend to grant a security interest. You acknowledge and agree that your pledge does not apply during any periods when you are a covered borrower under the Military Lending Act.

DESCRIPTION OF REWARDS PROGRAM

1. You will earn rewards ("points") for purchases of all eligible goods and services using the Platinum Rewards Credit Card ("Card"). For point accumulation rate please access your Rewards card account via online banking at Truliant.org or contact us for detailed information.

2. Accrual of points may begin on the date you receive the Card and the Card Agreement.

Point earnings are based on the new net retail purchase transaction volume (i.e., purchases less credits, returns and adjustments) charged to the Card during each periodic billing cycle ("billing cycle") by you ("net purchase(s)”). Net purchases are rounded to the nearest dollar and are subject to verification. If a transaction is subject to a billing dispute, the point value of the transaction will be deducted from the point total during the dispute period. If the transaction is reinstated, points will be reinstated.

4. Points earned in integrated/custom programs can accumulate collectively to one account as permitted by us.

5. Points may not be combined with any other loyalty/frequency reward program.

YOUR BILLING RIGHTS

KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement
If you think there is an error on your statement, write to us at:

Truliant Federal Credit Union
Attn: Billing Rights Department
P.O. Box 26000
Winston-Salem, NC 27114-6000

In your letter, give us the following information:

• Account information: Your name and account number.
• Dollar amount: The dollar amount of the suspected error.
• Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:
• Within 60 days after the error appeared on your statement.
• At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter
When we receive your letter, we must do two things:
1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:
• We cannot collect the amount in question, or report you as delinquent on that amount.
• If we think there was a mistake, we may continue to charge you interest on that amount.
• While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
• We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:
• If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
• If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases
If you are dissatisfied with the goods or services that you have purchased with your credit card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:
1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50.
